## 5) Profile → Dietary Preference (Onclick)

A mobile application interface for setting dietary preferences. The screen has a green header bar at the top. Below it, a white card contains the title "Dietary Preferences" in bold. Under the title, there are four unchecked checkboxes: "Vegetarian", "Low Carb", "High Protein", and "Gluten-Free". At the bottom of the card is a green rounded button labeled "Save". The entire screen is framed by a green border, and a black horizontal line at the very bottom indicates the home indicator bar.

## 6) Profile → Allergies (Onclick)

A mobile application interface for managing allergies. The screen has a green header bar at the top. Below the header, the title "Allergies & Restrictions" is displayed in a bold, dark font. Underneath the title, there is a list of four allergen categories, each preceded by an unchecked checkbox: "Peanuts", "Tree Nuts", "Gluten", and "Dairy". At the bottom of the screen, there is a large, rounded green button with the word "Save" in white text. The status bar at the very top shows the time as 4:08 and various system icons.
