

# Nicole Milmine

I'm a recent graduate seeking employment in a collaborative environment.

## Education

**George Brown College | Toronto, ON** Jan 2023 - Apr 2025

*Advanced Diploma in Computer Programming and Analysis*

Relevant Courses: Mobile Application Development, Agile Software Development, Data Structures & Algorithms, FullStack Development.

**University of Waterloo | Waterloo, ON** Sep 2019 - Aug 2022

*Bachelor of Science in Physics and Astronomy (voluntarily ceased)*

## Work Experience

**Unitron, a Sonova Brand | Kitchener, ON** May 2024 - Aug 2024

*Software Quality Assurance Analyst Co-op* Sep 2021 - Apr 2022

- Mobile and Software Team Member Jan 2021 - Apr 2021
- Conducted integration, regression and release bug testing on iOS, Android, macOS and Windows devices, ensuring software stability.
- Participated in daily team stand-up and monthly Sprint refinement and planning meetings.
- Utilized Jira and Polarion for bug documentation, management, and resolution, reducing post-release issues through comprehensive documentation and tracking.
- Investigated returning and fixed bugs, assisting developers in resolving issues promptly and improving efficiency.
- Created comprehensive documentation for new features on Confluence, enhancing team collaboration and knowledge sharing.

**Outlier | Remote** Oct 2024 - Present

*AI Trainer*

- Constructing questions and answers to train Large Language Models, improving model accuracy.
- Evaluating model performance by assessing AI-generated responses and enhancing AI response quality.

**Grand River Rafting Co. | Brant, ON** Jun - Sep (2018 - 2020)

*Seasonal Employee (2018, 2019), Office Assistant (2020)*

- Interacted with customers in a fast-paced, labour-intensive environment and coordinated teamwork on and off the river.
- Answered phones and emails to provide a seamless customer experience.

**Mel's Diner | Kitchener & Waterloo, ON** Oct 2022 - April 2023

*Hostess*
